

REFERENCE TITLE: **transportation system database; reporting date**

State of Arizona
Senate
Forty-ninth Legislature
First Regular Session
2009

SB 1293

Introduced by
Senator Nelson

AN ACT

AMENDING SECTION 28-507, ARIZONA REVISED STATUTES; RELATING TO THE TRANSPORTATION SYSTEM DATABASE.

(TEXT OF BILL BEGINS ON NEXT PAGE)

1 Be it enacted by the Legislature of the State of Arizona:
2 Section 1. Section 28-507, Arizona Revised Statutes, is amended to
3 read:

4 28-507. Transportation system database
5 A. In cooperation with local, regional and tribal agencies, the
6 division shall develop and maintain a geographically oriented database of the
7 existing and planned components of the statewide transportation system. ~~The~~
~~database shall be complete and operational on or before June 30, 2004.~~

8 B. The database shall include information concerning all projects
9 considered for inclusion in the statewide transportation plan developed
10 pursuant to section 28-506.

11 C. All cities, towns, counties and other transportation agencies that
12 receive state or federal transportation monies shall maintain standardized
13 records of their long-range transportation needs and shall report these needs
14 to the division on or before ~~September~~ OCTOBER 1 of each year. As
15 appropriate, local transportation planning agencies may rely on the planning
16 activities and reports of the department and regional planning agencies if
17 these activities and reports have been undertaken pursuant to requirements of
18 this article.

19 D. In cooperation with local, regional and tribal agencies, the
20 division shall prepare for presentation to the board minimum standards or
21 guidelines delineating the standardized data and information that must be
22 submitted pursuant to this section. The minimum standards shall recognize
23 the differences in local or regional circumstances.
